ST. VINCENT AND THE GRENADINES

PRESS RELEASE

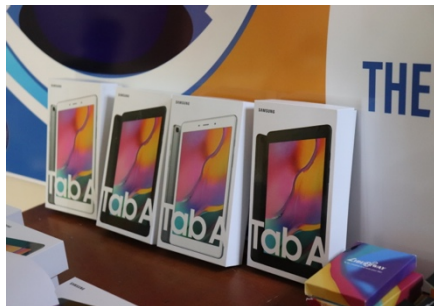

Permanent Secretary Catherine Defreitas receiving digital equipment donation from Mr. Regis Chapman
World Food Programme Multi-Country Officer for the English and Dutch Caribbean

Kingstown, St. Vincent 19th April 2021,

World Food Programme donates to data collection management system.

As St. Vincent and the Grenadines continues to battle in the aftermath of the explosive eruptions of the La Soufriere Volcano, the World Food Programme has come to the aid of the Vincentian society. The Ministry of National Mobilisation, Social Development, Gender Affairs, the Family, Persons with Disabilities, Youth and Informal Human Settlement were extremely pleased to be the recipient of a donation of digital equipment from the World Food Programme. The United Nation World Food Programme handed over 50 tablets, 10 laptops and 17 phones. The donated equipment is for humanitarian purposes to support the registration, assessment and delivery of support to persons impacted by the April 9th explosive volcanic eruption.

Ms. Catherine Defreitas, Permanent Secretary in the ministry proudly accepted the technological devices from Mr. Regis Chapman UN World Food Programme Multi-Country Officer for the English and Dutch Caribbean. The handing over took place at the Ministry's Office in capital Kingstown.
